

ROGER Access Control reference installations

We encourage access control installers to register systems based on ROGER's equipment. Registered systems will be listed on ROGER's Reference Installation List, which will be published on the company's website, and therefore it is essential to obtain system user's official permission.

Access control installers registering their systems will be put on ROGER's list of Certified Installers.

On the next page, you will find the registration form. In order to register the access control system please fill in this registration form and sent back to ROGER company by post, fax (+48 55 272 0133) or e-mail (roger@roger.pl).

By completing the form you agree to the collection and processing of personal data in accordance with the Information about the processing of personal data by ROGER available at www.roger.pl.

All details of the registered system will remain confidential.
Thank you for your cooperation.
